Process in a Criminal Case

- 1- Once the investigation is completed, the case will be screened by the Attorney for charges to be filed with the Weber County Attorney's Office.
- 2- Please provide current information to the officer so our office can keep you informed of the Criminal case.
- 3- If charges are filed, a victim impact statement will be sent to the victim for completion. Please return within 14 days so we can protect your rights.
- 4- After the defendant's first appearance, notifications will be sent out to the victim until the case is closed.
- 5- When convicted and a sentencing date is set, victims are encouraged to attend the sentencing hearing where they can speak about the impact of their case.
- 6- If applicable, restitution will then be ordered at the time of sentencing. Defendants will have until the end of probation to pay off restitution.
- 7- Personal effects held in evidence can be released 30 days after sentencing. The Prosecutor must sign a release form. Contact our office for this form.
- 8- If charges are not filed, any physical evidence may be returned or destroyed to the victim.
