## Board of Equalization and Appeal Information

- The Weber County Board of Equalization is established to consider matters related to the market value of your property.
- The Board of Equalization has discretion to raise as well as lower the market value, based on the facts presented.
- Your appeal must address the current market value, property characteristics, and/or property type as set by the Weber County Assessor. Only the current year market value, property characteristics, and/or property type, as established January 1, 2018, can be appealed.
- Fill out this appeal completely and submit it with all supporting evidence by the deadline. If you base your appeal on the poor condition of your home, please attach contractor estimates for repair. If you base your appeal on the characteristics of your property that adversely affect the market value, please attach a detailed description and supporting documentation.
- In most cases, a separate application must be filed for each property. If you are appealing a number of consecutive lots with the same characteristics, and using the same evidence, you may be able to consolidate the appeal application and include all of the parcel numbers on one appeal. Please contact our office for more information.
- The “Tax Notice” will be mailed by the Weber County Treasurer in October or November. If you have not received a recommendation of value from the Board of Equalization by the November 30th due date, please pay the tax as originally billed to avoid additional penalties and interest. If your appeal results in a lower value after that time, you will receive a refund for any overpayment.
- An appellant or representative found to be misrepresenting or falsifying information is subject to criminal prosecution as set forth by the law.
