

Fort Buenaventura Disc Golf Use:

We are excited to announce the opening of an 18 hole disc golf course at Fort Buenaventura. Weber County Parks and Recreation received a RAMP grant this spring, which along with our yearly parks budget and approximately 2000 hours of volunteer work by Team Utah Open, discs are flying. Over the next three weeks, you will see the addition of permanent tee signs, directional signs, benches and full course map signs.

We will be placing an honor box on hole one and hole nine. These honor boxes will be requests for a \$2 per 18 hole player fee.

If you're interested in holding a large group, or "pay to Play" event such as leagues or tournaments, which will block public play times, you will have to contact Weber County Parks and Recreation at #801-399-8491. We will require a one-page Group/league/Tournament agreement, which will outline reservation times, park rules etc. We will also collect the \$2 per player fee either prior to event or post event if player count is unknown.

We will allow leagues on Mon, Tues, Wed, Thurs and Sun (one league per day).
