Weber County 2022 CERT Basic Training

Weber County CERT Basic training is delivered in two separate sections: On-line Individual Study, and an In-Class Hands-on section in a traditional class room setting. Follow the link below to register for, and to access the online training portion.

Start and complete the online training, print your certificate and bring it to the hands-on, practical portion of the training. Once the practical portion is completed you will be issued an official certificate of course completion.

To Register for the online portion:

- ♦ Complete it at **your pace** and at **your convenience**.
- ♦ Course progress will be saved and can be resumed later.
- ♦ Online Course Time = 9 hours
- ♦ In-class, hands-on Training = 16 hrs
- ♦ We will send you an electronic and hardcopy version of the student course manual to use in conjunction with the on-line training.
- ♦ You will need to complete the on-line training before the in-class, hands-on is completed. .

Online course made available by
Rocky Mountain Center for Occupational and Environmental Health.

Thank you Rocky Mtn Center!

On-line training will focus on knowledge base information while the in-class hands-on portion will focus on actually learning and doing the skills, not classroom lecture. It is very important that you complete the online portion before attending the in-class portion.
