We are having a Veterans Honor Shoot to help the Veterans residing in the George E. Wahlen Ogden Veterans Home. We are taking donation to purchase a golfing package for them. This includes a mat and large net so they can drive golf balls into the net also purchase two putting greens with multiple holes. These will help the veterans get some mobility along with doing something fun. This will be able to be used indoor when weather is bad along with taking it out doors when it's nice. Help us honor our veterans.
