Budget Overview

November 1, 2022

To the Citizens of Weber County:

As the Weber County Budget Officer, the Clerk/Auditor's Office is pleased to submit the 2023 Tentative Budget for all Weber County funds and departments. This report is derived from individual department budget requests, adjusted for items discussed with each department during budget meetings.

We understand that this budget is only tentative, that discussions regarding the budget will continue, and that changes may be made before the County adopts the final budget. We invite you to a public hearing for November 22nd at 6:00 p.m. to comment on the budget. The final budget must be adopted before December 31, 2022.

A big thank you to elected officials, division directors, staff, and citizens, who have spent hundreds of hours analyzing, forecasting, and scrutinizing county expenditures to identify areas of improvement and savings. It is this team that makes up the strong financial management cited by Fitch Ratings as a key factor in including Weber County in the top 3 percent of counties nationwide that have received AAA general obligation bond rating.

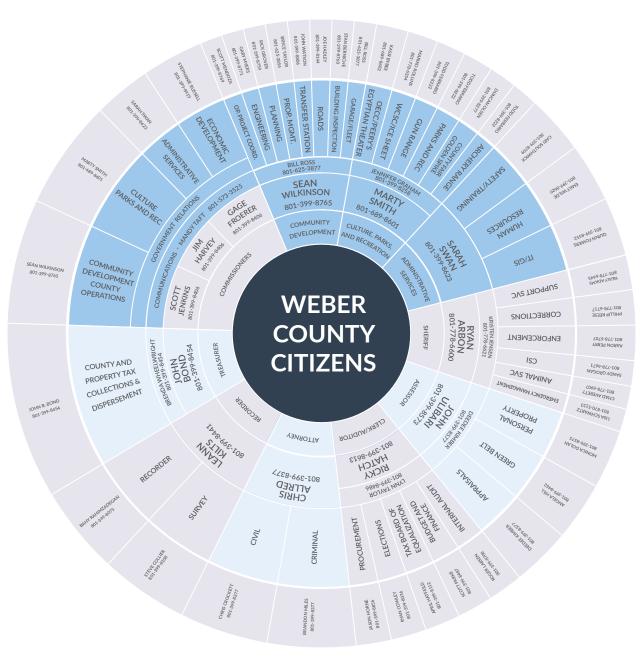

Thank you for making Weber County your home.

Sincerely,

Ricky D. Hatch, CPA, CPO

Clerk/Auditor

Budget Process

Starting at the end of August each year, the Clerk / Auditor sends out budget information to each department within the county. Those departments review the budget information and submit any requested changes back to the Clerk Auditor, who compiles the additional requests and base budget information for use during the budget hearings.

During the budget hearings, each department is allowed to explain their next year budgetary requests, as well as to provide additional information on their departments to the County Commissioners.

The Clerk /Auditor, in consultation with the County Commissioners, then compiles a tentative operating and capital budget for the following year. This tentative budget must be submitted to the Commissioners on or before November 1st each year and is posted on the County's website.

The commissioners then set a date for a public hearing to receive comments from taxpayers regarding the tentative budget.

After public comments are received, the County Commissioners can amend or adopt the tentative budget to create the final budget. This final budget must be passed before the end of the calendar year and is sent to the Utah State Auditor's Office within thirty days of adoption.

Control of budgeted expenditures is exercised, under state law, at the department level. Administrative control is maintained through detailed line-item budgets for all departments. All non-capital appropriations lapse at the end of the calendar year.
