Reason for Declaring Surplus: We are replacing all of the seats in Peery's Egyptian Theater. Legislative funding and a RAMP grant have made this possible. Current seats will be sold to public. The Egyptian Theatre Foundation is working with Kassi Bybee and Jennifer Graham to reach out to current seat sponsors and then the general public for a chance to "own a piece of history".

Special Request: A request for the Commission to allow the funds from sold surplussed seats to be deposited to a restricted fund have been initiated. CP&R is awaiting an official approval.

* Following discussion between Jennifer Graham & Scott Parke, it was decided that a restricted fund was not needed. Per their instructions Trischia Wadey has created a regular Project Code for allocation of these funds and the expenses associated with the project to be processed through.
