IMPORTANT INFORMATION ABOUT YOUR STATEMENT

BILLING RIGHTS SUMMARY (For Consumer Credit Card Accounts Only)

What to do if you find a mistake on your statement. If you think there is an error on your statement, write to us at:

BankCard Center, Attn: Disputes
P. O. Box 25787
Salt Lake City, UT 84125-0787

In your letter, give us the following information:

- Your name and account number.
- The date and dollar amount of the suspected error.
- A description of what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us but if you do, we are not required to investigate any potential errors and you may have to pay the amount in question. While we investigate whether or not there has been an error, we cannot try to collect the amount in question, or report you as delinquent on that amount. The charge in question may remain on your statement and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount. While you do not have to pay the amount in question, you are responsible for the remainder of your balance. We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases: If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

- (1) The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
- (2) You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
- (3) You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at the address stated above. While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

HOW YOUR INTEREST CHARGES ARE COMPUTED

Periodic Interest Charges: No periodic interest charge on purchases will be assessed if you paid the total New Balance listed on the previous monthly statement in full by the payment due date; otherwise, a periodic interest charge will be assessed on each purchase item from the date of purchase transaction. A periodic interest charge on quasi cash, cash advance and balance transfer transactions will be assessed on each transaction from the date of such transaction and there is no grace period within which such transactions can be repaid without incurring an interest charge.

Periodic Interest Charge Calculations: Interest charges on purchases and interest charges on quasi cash, cash advance and balance transfer transactions are calculated separately and the resulting amounts are then combined to arrive at the total finance charges for the billing period. 1) We first determine the "average daily balance" of your account (including new transactions). To get the "average daily balance", we take the beginning balance of your account each day, add any new transactions and then subtract any payments or credits. This gives us the daily balance (any unpaid interest charges incurred during that billing period are not included in the daily balance). Then, we add up all of the daily balances for the billing period and divide the total by the number of days in the billing period. This gives us the average daily balance, which is also called the "balance subject to interest charge" on your monthly statement. 2) We multiply the balance subject to interest charge by the number of days in the billing period; the resulting number is then multiplied by the daily periodic rate to determine the amount of interest charge.

IMPORTANT INFORMATION ABOUT PAYMENTS

Please allow at least seven (7) days for mailed payments to reach us. Payments in proper form received Monday through Friday (excluding holidays) by 5:00 p.m. local time at the address on the payment coupon will be credited as of that day. There will be a delay in crediting a payment not received at the address on the payment coupon and/or not in proper form.

Proper Form: For a payment to be in proper form you must enclose a valid check or money order drawn on a U.S. bank in U. S. dollars and include your name and the last four digits of your account number on the check or money order. Do not send cash or foreign currency.

Please note: We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.
