Reason for Declaring Surplus: An airport hangar was constructed in 2007 for use by the Aerospace Heritage Foundation. It was paid for using RAMP funds. Ownership of the hangar was in the name of the County and leased to the Foundation for \$1.00 per year. It has been in the Foundation's possession since that time. Special Request: The County has determined that it is in its best interest to make a charitable donation to the Aerospace Heritage Foundation and transfer title of the hangar to it.
