RE: SWPPP Inspection Services Contract Extension

Dear Korey:

The contract for the SWPPP Inspection Services approximate date of completion was May 1, 2021. The terms of the contract allow extending the contract until May 1, 2023.

The County would like to extend the contract to May 1, 2023 following the original fees in the SWPPP Inspection Services contract.

Sincerely,

Tucker Weight  
Weber County Engineering  
801-399-8104

Weber County and Epic Engineering accept the offer to extend the contract an additional two years to expire May 1, 2023.

Weber County
