

LOCAL TRANSPORTATION FUNDING AGREEMENT

This Agreement is made effective this _____ day of _____ 2021, by and between Weber County and Roy City (collectively the “Parties” or individually the “Party”), and witnesses that:

WHEREAS, Utah Code Annotated §59-12-2217, the County Option Sales and Use Tax for Transportation and Utah Code Annotated §72-2-117.5, the Local Transportation Corridor Preservation Fund provide the opportunity for a Council of Governments and the local legislative body to prioritize and approve funding for transportation projects that are included in the area’s Regional Transportation Plan; and

WHEREAS, the Weber Area Council of Governments (WACOG) is the council of governments with the authority to work with Weber County, the local legislative body, to prioritize and approve funding for such transportation projects; and

WHEREAS, The 4300 West in Roy City is among the qualified projects prioritized for funding by WACOG and the Weber County Commission; and

WHEREAS, Roy City intends to improve and widen 1.1 miles of 4300 West between 5700 South and 4800 South; and

WHEREAS, Roy City submitted a timely and complete application/request to the WACOG, and accordingly such request was approved by the WACOG on October 7, 2019 and subsequently approved by the Weber County Commission on October 15, 2019; and

WHEREAS, Weber County has committed to assist with construction and construction related costs up to \$652,804 programmed for calendar year 2023; and

WHEREAS, Roy City has committed that local funds in the amount of \$73,000 are being contributed as matching and supporting funds for the project; and

WHEREAS, Weber County and Roy City propose to enter into this Funding Agreement to establish the terms and conditions Weber County and Roy City will be bound to in regard to this agreement;

NOW THEREFORE, it is agreed by and between the parties hereto as follows:

**SECTION ONE
INTRODUCTION AND BACKGROUND**

A. Introduction and Project Background.

4300 West borders the western boundary of Roy City and provides a north south route for Roy City, Hooper City, and West Haven City. 4300 West also provides access to two elementary schools, one Jr. High school and two parks.

Recent developments in eastern Weber County have increased traffic volumes. These developments have also resulted in an inconsistent road section along 4300 West. 2016 traffic counts indicate that the average annual daily traffic (AADT) along 4300 West is 3,200 vehicles per day. Additionally, several properties adjacent to 4300 West have been or will be developed. Roy City and Hooper City have required these developments to provide curb, gutter, and sidewalk to ensure pedestrian safety along this route. However, there remain portions of the road that still do not have sidewalk or sufficient roadway width for bicycle traffic.

The purpose of this project is to provide a consistent roadway section along 4300 West, from 5700 South to 4800 South, that includes bike lanes and sidewalks to provide a safe route for pedestrians. The project will include widening the asphalt in areas that are too narrow and constructing curb, gutter, and sidewalk where gaps exist.

The Wasatch Front Regional Council (WFRC) Regional Transportation Plan (RTP) identified 4300 West as a future project to improve bicycle and pedestrian access.

These improvements are also consistent with the Roy City Transportation Masterplan and the Complete Streets Plan. 4300 West is classified as a minor collector in the Roy City Transportation Masterplan. There are portions of 4300 West that are inconsistent with the minor collector classification. Additionally, Roy City has identified 4300 West as a proposed bike route. This project will address the inconsistencies and provide a designated bike route along 4300 West.

B. County Obligations.

1. County agrees to reimburse up to \$652,804, programmed for calendar year 2023 for the cost of construction and construction related expenditures from the County Option Sales and Use Tax for Transportation Fund.
2. County's payment obligations will arise only after the submission, by Roy City, of appropriate evidence of expenditures that qualify for reimbursement under this

agreement. If Roy City does not expend and seek reimbursement for the full amount approved, then the appropriate Weber County Local Transportation Fund will retain the remaining funds.

3. Roy City acknowledges that the County cannot guarantee the payment of funds not yet appropriated, including the funds described in paragraph B.1. While the County may not use those funds for purposes or projects that have not gone through the WACOG process, which is outlined in Utah Code Annotated § 59-12-2217, there is no guarantee that the applicable tax revenue will be sufficient to fund all approved projects. If there is a funding shortfall at the time the County prepares its budget for one of the years referenced in paragraph B.1 then notwithstanding any other provision of this Agreement, the County may, without penalty or liability of any kind, appropriate for the Project a proportional amount, as follows: the County shall calculate the ratio of money promised for this Project to the total promised money for WACOG approved projects for the year, and then the County shall multiply that ratio by the actual funds anticipated to be available for WACOG approved projects at the time the County prepares its budget for the year. Here is an example using hypothetical numbers:

The County has promised \$1,250,000 for this Project for the year 2020. If the County promised a total of \$25,000,000 for WACOG approved projects for 2020, then the ratio would be 5%. If, at budget preparation time, the available funds were only anticipated to be \$15,000,000, then the County would only be obligated to pay 5% of the \$15,000,000 to this Project, or \$750,000.

If the County pays a reduced, proportional amount as set forth above, it shall continue to pay proportional amounts of the funds available for WACOG approved projects in subsequent years, and shall not approve new projects to use those funds for those years, until the full amount set forth in this Agreement has been paid. Roy City specifically acknowledges and agrees that in the event of a funding shortfall, the County shall not be obligated to make up the difference using the County's general funds or any other funding source.

C. Roy City Obligations.

1. Roy City shall ensure that all applicable Local, State and Federal guidelines are followed with respect to property acquisition, description and recording.
2. Roy City shall comply with all program policies that have been adopted by WACOG. Should any of them conflict with state or federal law, the conflicting provisions of state or federal law shall control.

D. Joint Obligations.

1. The County and Roy City agree to jointly develop accounting and reporting procedures for the use and distribution of transportation funds.

E. Miscellaneous.

1. Indemnification. Because the County is only providing funding for this project, Roy City agrees to hold harmless and indemnify Weber County, its officers, employees and agents from and against all claims, suits and costs, including attorney's fees for injury or damage of any kind, arising out of Roy City's acts, errors or omissions in the performance of this project.
2. Modification. This Agreement may be modified only upon the written agreement of both parties.
3. Applicable Law. This Agreement shall be administered and interpreted in accordance with the laws of the State of Utah.
4. Default. If Roy City fails to obtain or provide its share of the funding, or if the project changes in any material way from what WACOG approved, then the County may declare a default, terminate this Agreement, and cease further payments. Additionally, Roy City agrees to return all funds that have already been paid under this Agreement.
5. Term. This Agreement shall terminate after satisfaction of all obligations accrued or incurred hereunder, or upon completion or cancellation of the Project referenced herein.
6. Notice. Any notice or certification required or permitted to be delivered under this agreement shall be deemed to have been given when personally delivered, or if mailed, three business days after deposit of the same in the United States

Mail, postage prepaid, certified, or registered, return receipt requested, properly addressed to the following respective addresses:

Board of Weber County Commissioners, 2380 Washington Blvd., Suite 320, Ogden, UT 84401

Roy City, 5051 South 1900 West, Roy, UT 84067

7. Severability. If any provision of this Agreement is held to be invalid or unenforceable by a court of proper jurisdiction, the remaining provisions shall remain in full force and effect.
8. Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one of the same instrument.
9. Entire Agreement. This Agreement contains the entire agreement between the Parties, and no statement, promises or inducements made by either Party or agents for either Party that are not contained in this Agreement shall be binding or valid.
10. Waiver. No failure to enforce any provision of this Agreement on account of any breach thereof, shall be considered as a waiver of any right to enforce provisions of this Agreement concerning any subsequent or continuing breach.
11. Dispute Resolution. If a dispute arises regarding this Agreement, the Parties shall first attempt informal negotiations to resolve the dispute before taking legal action. If that fails, then the Parties may, but are not required to, pursue other means of alternative dispute resolution before taking legal action. In any legal dispute, each party shall be responsible for paying its own costs, including attorneys' fees, regardless of the outcome of the dispute.

IN WITNESS THEREOF, the Parties hereto have caused these presents to be executed by their duly authorized officers as of the day, month, and year first above written.
