Subject: **Request for approval of an interlocal cooperation agreement between Weber County and Roy City relating to the delivery of municipal solid waste to the Weber County Transfer Station**
Agenda Date: February 27, 2024
Documents: Exhibit A – Interlocal Cooperation Agreement

Summary: Weber County is collaborating with local cities on an interlocal agreement that provides a guaranteed waste stream to the Weber County Transfer Station. The agreement allows the Transfer Station to know how much municipal solid waste to expect, which leads to better budgeting and operations decisions. The agreement states that each city will deliver all of its curb-side municipal solid waste exclusively to the Weber County Transfer Station, and Weber County will continue to own and operate the Transfer Station for the agreement’s duration. The first term of the agreement runs from the approval date through the end of 2024 and automatically renews for terms of two years each for a maximum of 12 years (through 2036). Either party can terminate the agreement at any time with notice provided six months in advance.

INTERLOCAL COOPERATION AGREEMENT

by and among

Roy City Corporation

and

WEBER COUNTY

Relating to the delivery of municipal solid waste to the Weber County Transfer Station

INTERLOCAL COOPERATION AGREEMENT

THIS IS AN INTERLOCAL COOPERATION AGREEMENT between Roy City, which is a municipality and political subdivision of the State of Utah (“City”), and WEBER COUNTY, a political subdivision of the State of Utah (“County”).

RECITALS

WHEREAS, pursuant to the provisions of the Interlocal Cooperation Act, found in Utah Code Title 11, Chapter 13, public agencies are authorized to enter into written agreements with one another for joint or cooperative action; and

WHEREAS, the Solid Waste Management Act, found in Utah Code Title 19, Chapter 6, Part 5, specifically authorizes public entities to supervise and regulate the collection, transportation, and disposition of solid waste generated within their jurisdiction, and to require municipal residential waste generated within their jurisdiction to be disposed of at a solid waste management facility owned or operated by a public entity; and

WHEREAS, the County owns and operates a transfer station (“Transfer Station”) where solid waste is collected, processed, and then shipped to appropriate disposal sites; and

WHEREAS, the County has invested a significant amount of money in facilities and equipment to provide solid waste disposal services to county residents; and

WHEREAS, as a public benefit, the County accepts waste transported to the Transfer Station by individual county residents; and

WHEREAS, the County also provides or participates in various additional expanded services, including household hazardous waste collection, green waste recycling and

compost/wood product sales, electronics recycling, tire recycling, chlorofluorocarbon (Freon) recovery, and community education; and

WHEREAS, the services provided by the County constitute a direct benefit to the public good by providing an appropriate disposal facility for waste, thereby reducing the unlawful or inappropriate disposal of waste materials and allowing for some of them to be re-used; and

WHEREAS, the long-term committed delivery of municipal residential curb-side collected waste to the Transfer Station is critical to the funding and amortizing of the Transfer Station and its operational expenses, including expanded services; to the ability of the County to provide solid waste services to the general public in an efficient, cost-effective manner; and to the County's ability to obtain better long-term agreements for the transportation and disposal of the waste, thereby providing a lower long-term cost to the residents of the City and other parts of Weber County;

NOW, THEREFORE, the Parties mutually agree, pursuant to the terms and provisions of the Interlocal Cooperation Act, as follows:

Section 1. Purpose.

This Agreement has been established and entered into for the purpose of facilitating the efficient operation of solid waste services provided by the Parties.

Section 2. Effective Date; Duration.

- a. This Agreement shall become effective upon the completion of all of the following actions:
 - i. The Agreement is reviewed as to proper form and compliance with applicable law by the attorney for each Party;

- ii. The Agreement is approved and signed by each Party; and
 - iii. The Agreement is filed with the keeper of records of each Party.
- b. The initial term of this Agreement shall be from the effective date through December 31, 2024.
 - c. The Agreement shall automatically renew for additional terms of two years each, unless terminated earlier as provided in this Agreement, for a maximum of 12 years. Either Party shall have the option to terminate this Agreement at any time, by providing written notice of termination to the other Party at least six months before the date the termination will take effect.
 - d. This Agreement may also be terminated at any time by mutual written agreement of the Parties.

Section 3. Waste Disposal.

In accordance with the purpose stated above, the Parties agree to the following:

- a. The City agrees to deliver, or cause to be delivered, exclusively to the County's Transfer Station, all of the household waste placed in curbside containers by the City's residents and picked up by the City or by the company that the City contracts with to collect and dispose of curbside residential waste. The County agrees to accept such waste, subject to the fee schedules, rules, regulations, and procedures adopted by the County. Other types of waste that are not household waste collected by the City or under a contract with the City, such as curbside recycling and commercial waste, may be brought to the Transfer Station but are not governed by this agreement.

- b. The County agrees to own and operate the Transfer Station throughout the term of this Agreement.
- c. The City shall elect one of the following billing and payment options:
 - i. The County will bill the City for the tipping fees for curb-side waste generated by the City's residents, and the City agrees to pay each bill within 30 days of receipt.
 - ii. Or, the County will directly charge the haulers of curb-side waste generated by the City's residents. The City shall ensure that the haulers timely pay all appropriate fees.

Section 4. Additional Provisions Required by the Interlocal Cooperation Act.

- a. This Agreement and the actions contemplated herein shall not receive separate financing, nor shall a separate budget be required. Each Party to this Agreement shall pay for its own obligations arising under this Agreement.
- b. Each Party shall maintain separate ownership and control over its own real and personal property. Therefore, there will be no need for joint disposal of property upon the termination of the Agreement.
- c. Since this Agreement does not establish an interlocal entity, the Parties agree that the County's Community Development Director, or the Community Development Director's successor or designee, shall act as the administrator responsible for the administration of this Agreement.

- d. Since this Agreement relates to the use of the County's Transfer Station, voting shall be weighted in favor of the County, with the County's vote outweighing the City's vote on any vote required by this Agreement.
- e. A copy of this Agreement shall be placed on file in the office of the official keeper of records of each Party.

Section 5. Indemnification.

Each of the Parties is a political subdivision of the State of Utah and claims the privileges, protections, and immunities of the Governmental Immunity Act of Utah. Each of the Parties agrees to indemnify and hold harmless the other for damages, claims, suits, and actions arising out of the indemnifying Party's negligent or intentional errors or omissions in connection with this Agreement.

Section 6. Publication of Notice of Agreement.

Immediately after execution of this Agreement by both Parties, each Party shall cause notice of this Agreement to be published pursuant to Utah Code Section 11-13-219.

Section 7. Notices and Contacts.

Any notice required or permitted to be given under this Agreement shall be deemed sufficient if given by a written communication and shall be deemed to have been received upon personal delivery, actual receipt, or three days after such notice is deposited in the United States Mail, postage prepaid, and certified, and addressed to the Parties as set forth below:

Section 8. Miscellaneous Provisions.

- a. Integration. This Agreement constitutes the entire agreement between the Parties pertaining to the subject matter hereof, and supersedes all prior agreements and understandings pertaining to this subject.
- b. Waiver. No failure by any Party to insist upon the strict performance of any provision of this Agreement or to exercise any right or remedy based upon a breach thereof shall constitute a waiver of any such breach or of a breach of any other provision.
- c. Rights and Remedies. Any party in breach of this Agreement shall be liable for all damages arising out of such breach, to the fullest extent permitted by applicable law.
- d. Severability. If any provision of this Agreement, or the application thereof to any person or circumstance, shall be invalid or unenforceable to any extent, then the remaining provisions of the Agreement shall remain in full force and effect, unless the invalidation of the provision materially alters the Agreement by interfering with the purpose of the Agreement or by resulting in non-compliance with applicable law. If the invalidation of the provision materially alters the Agreement, then the Parties shall negotiate in good faith to modify the Agreement

to match, as closely as possible, the original intent of the Parties. To the extent permitted by applicable law, the Parties hereby waive any provision of law which would render any of the terms of this Agreement unenforceable.

- f. Recitals. The Recitals, as set forth above, are incorporated into this Agreement.
