RESOLUTION NO.

# RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF WEBER COUNTY REQUESTING THAT THE UTAH INLAND PORT AUTHORITY ADOPT CERTAIN LAND INTO ITS PROJECT AREA AND ADOPT A PROJECT AREA PLAN FOR SUCH LAND. 

WHEREAS, the State Legislature has created the Utah Inland Port Authority (the "Authority") under Article XI, Section 8 of the Utah Constitution; and

WHEREAS, The purpose of the Authority is to fulfill the statewide public purpose of working in concert with applicable state and local government entities, property owners and other private parties, and other stakeholders to encourage and facilitate development of the authority jurisdictional land and land in other authority project areas to maximize the long-term economy and other benefits for the state, consistent with the strategies, policies, and objectives described in the Utah Inland Port Authority Act, Title 11, Chapter 58, Utah Code Ann., including:

1. the development of "inland port uses", as defined in Utah Code Ann. § 11-58102(10), on the authority jurisdictional land and on land in other authority project areas;
2. the development of infrastructure to support inland port uses and associated uses on the authority jurisdictional land and on land in other authority project areas; and
3. other development on the authority jurisdictional land and on land in other authority project areas; and

WHEREAS, the Board of County Commissioners of Weber County (the "Commission) has identified certain parcels within unincorporated Weber County, which are more particularly identified and illustrated in Exhibit A of this Resolution (the "Proposed Area"), that are currently underdeveloped but collectively have a high potential for becoming a successful "inland port" as defined in Utah Code Ann. § 11-58-102(9); and

WHEREAS, on August 8, 2023, the Commission requested by resolution that a portion of the Proposed Area be included in a Utah Inland Port Authority project area in western Weber County, and the Commission has since identified additional parcels that should be added to this request; and

WHEREAS, the Commission finds that Weber County residents can enjoy tremendous benefits from an inland port in the Proposed Area, including the creation of new jobs, boosting the local economy, access to state and federal resources, and assisting with the development of the West Weber Industrial District and Renewable Energy Hub; and

WHEREAS, the Commission wishes to partner with the Utah Inland Port Authority to create a long-term plan for the Proposed Area and develop the Proposed Area into an inland port.

NOW, THEREFORE, BE IT RESOLVED by the Commission as follows:

1. The Commission requests that the Utah Inland Port Authority designate the Proposed Area as part of its "project area" as defined in Utah Code Ann. § 11-58102(15).
2. The Commission requests that the Utah Inland Port Authority commence work on drafting a project area plan for the Proposed Area.
3. The Commission requests that the Utah Inland Port Authority, in creating and carrying out a project area plan for the Proposed Area: (1) work directly with a specialized economic development committee appointed by the Weber County Commission, and (2) before making financing decisions for the benefit of the project area, take into consideration the recommendations of such committee on a project by project basis.
4. In accordance with Utah Code Ann. § 11-58-501(2)(a), and in consideration of the requests listed above, the Commission consents to the Utah Inland Port Authority including the Proposed Area in a project area plan.

This RESOLUTION shall take effect immediately upon its adoption by the Commission.
ADOPTED by the Commission this $\qquad$ day of $\qquad$ 2024.
