

INTERLOCAL COOPERATION AGREEMENT

THIS INTERLOCAL COOPERATION AGREEMENT is made and entered into this ____ day of _____, 2026, by and between the **PLEASANT VIEW CITY REDEVELOPMENT AGENCY**, a community reinvestment agency and political subdivision of the State of Utah (the “Agency”), and **WEBER COUNTY**, a political subdivision of the State of Utah (the “County”) in contemplation of the following facts and circumstances:

A. **WHEREAS**, the Agency was created and organized pursuant to the provisions of the Utah Neighborhood Development Act, Utah Code Annotated (“UCA”) §17B-4-1001 *et seq.* (2004), and continues to operate under the provisions of its extant successor statute, the Limited Purpose Local Government Entities - Community Reinvestment Agency Act, Title 17C of the UCA (the “Act”), and is authorized and empowered under the Act to undertake, among other things, various community development activities pursuant to the Act, including, among other things, assisting Pleasant View City (the “City”) in development activities that are likely to advance the policies, goals and objectives of the City’s general plan, contributing to capital improvements which substantially benefit the City, creating economic benefits to the City, and improving the public health, safety and welfare of its citizens; and

B. **WHEREAS**, this Agreement is made pursuant to the provisions of the Act and the Interlocal Cooperation Act (UCA Title 11, Chapter 13) (the “Cooperation Act”); and

C. **WHEREAS**, the Agency has created the Rise Community Reinvestment Project Area (the “Project Area”), through the adoption of the Rise Project Area Plan (the “Project Area Plan”), located within the City, which Project Area is described in Exhibit “A” attached hereto and incorporated herein by this reference; and

D. **WHEREAS**, the Project Area contains industrial land, which is anticipated to be developed, with encouragement and planning by the Agency, into an expansion of the existing manufacturing facility within the Project Area. The Agency has not entered into any participation or development agreements with developers but anticipates that prior to development of the Project Area, the City and/or the Agency may enter into one or more participation agreements with one or more developer(s) which will provide certain terms and conditions upon which the Project Area will be developed using, in part, “Tax Increment” (as that term is defined in the Act), generated from the Project Area; and

E. **WHEREAS**, historically, the Project Area has generated a total of \$190,853 per year in property taxes for the various taxing entities, including the City, the County, Weber School District (the “School District”), and other taxing entities; and

F. **WHEREAS**, upon full development as contemplated in the Project Area Plan, property taxes produced by the Project Area for the City, the County, the School District, and other taxing entities are projected to total approximately \$266,774 per year at the end of the Project Area; and

G. **WHEREAS**, the Agency has requested the City, the County, the School District, and other taxing entities to participate in the promotion of development in the Project Area by agreeing to remit to the Agency for a specified period of time specified portions of the increased real and personal property tax (i.e., Tax Increment,) which will be generated by the Project Area; and

H. **WHEREAS**, it is in the best interest of the citizens of the County for the County to remit such payments to the Agency to permit the Agency to leverage private development of the Project Area; and

I. **WHEREAS**, the Agency has retained Urban & Main Consulting, an independent economic development consulting firm with substantial experience regarding community reinvestment projects

and tax increment funding across the State of Utah, to prepare the Project Area Plan and to provide a report regarding the need and justification for investment of Tax Increment revenues from and within the Project Area. A copy of the report is included in the Project Area Plan attached as Exhibit "B"; and

J. **WHEREAS**, the Agency has created the Rise Community Reinvestment Project Area Budget (the "Project Area Budget"), a copy of which is attached as Exhibit "C", which Project Area Budget, generally speaking, outlines the anticipated generation, payment and use of Tax Increment within the Project Area;

K. **WHEREAS**, the parties desire to set forth in writing their agreements regarding the nature and timing of such assistance;

NOW, THEREFORE, the parties agree as follows:

1. **Additional Tax Revenue.** The County has determined that additional Tax Increment will likely be generated by the development of the Project Area as described in further detail in the Project Area Plan and Project Area Budget. Each of the parties acknowledge, however, that the development activity required for the generation of the Tax Increment is not likely to occur within the foreseeable future or to the degree possible or desired without Tax Increment participation in order to induce and encourage such development activity.

2. **Offset of Development Costs and Expenses.** The County has determined that it is in the best interests of its citizens to pay specified portions of its portion of Tax Increment to the Agency in order for the Agency to offset costs and expenses which will be incurred by Agency or participants in Project Area development, including, without limitation, the construction and installation of Buildings, infrastructure improvements, personal property and other development related costs needed to serve the Project Area, to the extent permitted by the Act, the Project Area Plan, and the Project Area Budget, each as adopted and amended from time to time.

3. **Base Year and Base Year Value.** The base year, for purposes of calculation of the Base Taxable Value (as that term is defined in the Act), shall be 2025, meaning the Base Taxable Value shall, to the extent and in the manner defined by the Act, be equal to the equalized taxable value shown on the 2025 Weber County assessment rolls for all anticipated developable property located within the Project Area (which is currently estimated to be \$17,866,749, but is subject to final adjustment and verification by the County and Agency).

4. **Agreement(s) with Developer(s).** The Agency is authorized to enter into one or more participation agreements with one or more participants which may provide for the payment of certain amounts of Tax Increment (to the extent such Tax Increment is actually paid to and received by the Agency from year to year) to the participant(s) conditional upon the participant (s)'s meeting of certain performance measures as outlined in said agreement. Such agreement shall be consistent with the terms and conditions of this Agreement, shall require as a condition of the payment to the participant(s) that the respective participant or its approved successors in title as owners of all current and subsequent parcels within the Project Area, as outlined in Exhibit "A" (the "Property"), shall pay any and all taxes and assessments which shall be assessed against the Property in accordance with levies made by applicable municipal entities in accordance with the laws of the state of Utah applicable to such levies, and such other performance measures as the Agency may deem appropriate.

5. **Payment Trigger.** The first year of payment of Tax Increment from the County to the Agency shall be determined by the Agency but shall be no later than 2028. The Agency may trigger the collection of Tax Increment by delivering a letter or other written request to the Weber County Clerk/Auditor's office (the "Trigger Notice"). The Agency shall be entitled to receive Tax Increment for a period of fifteen (15) full calendar years, commencing with the year after the Agency delivers the Trigger Notice to the County (the "Increment Period").

6. **Total Payment to Agency.** The County shall remit to the Agency, beginning with property tax receipts during the Incremental Period, 50% of the annual Tax Increment generated from the real and personal property tax within the Project Area attributable to the County's tax levy for a period of fifteen (15) years; provided, however, that the total amount of such Tax Increment generated and properly attributable to the County's tax levy that is paid to the Agency under this Agreement shall not exceed a total of \$333,863 (the "Maximum Tax Increment Payment"). Centrally assessed property taxes are expressly excluded from the County's Tax Increment and shall not be received by the Agency under this Agreement.

7. **County Participation Contingency.** The County's obligation to remit Tax Increment under this Agreement is expressly conditioned upon the use of project funds and improvements within the Project Area for infrastructure and related improvements related to the expansion of a new product line. The County's Tax Increment shall not be used for storage improvements. If the County determines that project activities or expenditures are used for purposes other than those contemplated herein, the County shall have no obligation to participate in the Project Area, and no Tax Increment shall be paid or shared with the Agency, and this Agreement will be terminated. No later than December 31st of each year, the Agency's manager shall provide the County an itemized list detailing the infrastructure that was financed by the Tax Increment during the year.

8. **Job Creation.** The Agency warrants that the development will result in significant job creation for the County.

9. **Property Tax Increase.** This Agreement provides for the payment of the increase in real and personal property taxes collected from the Project Area by the County acting as the tax collection agency for the County. Without limiting the foregoing, this Agreement includes Tax Increment resulting from an increase in the tax rate of the County, which is hereby expressly approved as being included in Tax Increment as required by Section 17C-1-407 of the Act. It is expressly understood that the Property Taxes which are the subject of this Agreement are only those Property Taxes actually collected by the County from the Project Area.

10. **No Independent Duty.** The County shall be responsible for remitting to the Agency only Tax Increment actually received by the County. The County shall have no independent duty to pay any amount to the Agency other than the Tax Increment actually received by the County on an annual basis from and including Year One through and including Year Fifteen.

11. **Authority to Bind.** Each individual executing this Agreement represents and warrants that such person is authorized to do so, and, that upon executing this Agreement, this Agreement shall be binding and enforceable in accordance with its terms upon the party for whom such person is acting.

12. **Further Documents and Acts.** Each of the parties hereto agrees to cooperate in good faith with the others, and to execute and deliver such further documents and perform such other acts as may be reasonably necessary or appropriate to consummate and carry into effect the transactions contemplated under this Agreement.

13. **Notices.** Any notice, request, demand, consent, approval or other communication required or permitted hereunder or by law shall be validly given or made only if in writing and delivered to an officer or duly authorized representative of the other party in person or by Federal Express, private commercial delivery or courier service for next business day delivery, or by United States mail, duly certified or registered (return receipt requested), postage prepaid, and addressed to the party for whom intended, as follows:

Any party may from time to time, by written notice to the others as provided above, designate a different address which shall be substituted for that specified above. Notice sent by mail shall be deemed served or delivered seventy-two (72) hours after mailing. Notice by any other method shall be deemed served or delivered upon actual receipt at the address or facsimile number listed above. Delivery of courtesy copies noted above shall be as a courtesy only and failure of any party to give or receive a courtesy copy shall not be deemed to be a failure to provide notice otherwise properly delivered to a party to this Agreement.

14. **Entire Agreement.** This Agreement is the final expression of and contains the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior understandings with respect thereto. This Agreement may not be modified, changed, supplemented or terminated, nor may any obligations hereunder be waived, except by written instrument signed by the party to be charged or by its agent duly authorized in writing or as otherwise expressly permitted herein. This Agreement and its exhibits constitute the entire agreement between the parties hereto pertaining to the subject matter hereof, and the final, complete and exclusive expression of the terms and conditions thereof. All prior agreements, representations, negotiations and understandings of the parties hereto, oral or written, express or implied, are hereby superseded and merged herein.

15. **No Third-Party Benefit.** The parties do not intend to confer any benefit hereunder on any person, firm or corporation other than the parties hereto. There are no intended third-party beneficiaries to this Agreement.

16. **Construction.** Headings at the beginning of each paragraph and subparagraph are solely for the convenience of the parties and are not a part of the Agreement. Whenever required by the context of this Agreement, the singular shall include the plural and the masculine shall include the feminine and vice versa. Unless otherwise indicated, all references to paragraphs and subparagraphs are to this Agreement. In the event the date on which any of the parties is required to take any action under the terms of this Agreement is not a business day, the action shall be taken on the next succeeding business day.

17. **Partial Invalidity.** If any term or provision of this Agreement or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each such term and provision of this Agreement shall be valid and shall be enforced to the fullest extent permitted by law.

18. **Amendments.** No addition to or modification of any provision contained in this Agreement shall be effective unless fully set forth in writing executed by each of the parties hereto.

19. **Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute but one and the same instrument.

20. **Waivers.** No waiver of any breach of any covenant or provision herein contained shall be deemed a waiver of any preceding or succeeding breach thereof or of any other covenant or provision herein contained. No extension of time for performance of any obligation or act shall be deemed an extension of the time for performance of any other obligation or act.

21. **Governing Law.** This Agreement and the exhibits attached hereto shall be governed by and construed under the laws of the State of Utah. In the event of any dispute hereunder, it is agreed that the sole and exclusive venue shall be in a court of competent jurisdiction in Weber County, Utah, and the parties hereto agree to submit to the jurisdiction of such court.

22. **Declaration of Invalidity.** In the event that a court of competent jurisdiction declares that the County cannot pay and/or that the Agency cannot receive payments of the Tax Increment, declares that the Agency cannot pay the Tax Increment to developers, or takes any other action which has the effect of eliminating or reducing the payments of Tax Increment received by the Agency, the Agency's obligation to pay the Tax Increment to developers shall be reduced or eliminated accordingly, the Agency, and the County shall take such steps as are reasonably required to not permit the payment and/or receipt of the Tax Increment to be declared invalid.

23. **No Separate Legal Entity.** No separate legal entity is created by this Agreement.

24. **Duration.** This Agreement shall terminate upon the earlier of (i) the expiration of fifteen (15) years following the trigger year for the Project Area, or (ii) the date on which the Maximum Tax Increment Payment is reached, whichever occurs first.

25. **Assignment.** No party may assign its rights, duties or obligations under this Agreement without prior written consent first being obtained from all parties. Notwithstanding the foregoing, such consent shall not be unreasonably withheld or delayed so long as the assignee thereof shall be reasonably expected to be able to perform the duties and obligations being assigned.

26. **Termination.** Upon any termination of this Agreement resulting from the uncured default of any party, the order of any court of competent jurisdiction or termination as a result of any legislative action requiring such termination, then any funds held by the Agency and for which the Agency shall not be required to disburse to developers in accordance with the agreements which govern such disbursement, then such funds shall be returned to the party originally remitting same to the Agency and upon such return this Agreement shall be deemed terminated and of no further force or effect.

27. **Interlocal Cooperation Act.** In satisfaction of the requirements of the Cooperation Act in connection with this Agreement, the Parties agree as follows:

- a. This Agreement has been, on or prior to the date hereof, authorized and adopted by resolution of the legislative body of each Party pursuant to and in accordance with the provisions of Section 11-13-202.5 of the Cooperation Act;
- b. This Agreement has been, on or prior to the date hereof, reviewed as to proper form and compliance with applicable law by a duly authorized attorney on behalf of each Party pursuant to and in accordance with the provisions of Section 11-13-202.5(3) of the Cooperation Act;
- c. A duly executed original counterpart of this Agreement shall be filed immediately with the keeper of records of each Party pursuant to Section 11-13-209 of the Cooperation Act;

- d. The Chair of the Agency is hereby designated the administrator for all purposes of the Cooperation Act, pursuant to Section 11-13-207 of the Cooperation Act; and
- e. Should a party to this Agreement desire to terminate this Agreement, in part or in whole, each party to the Agreement must adopt, by resolution, an amended Interlocal Cooperation Agreement stating the reasons for such termination. Any such amended Interlocal Cooperation Agreement must be in harmony with any development/participation agreement(s) entered into by the Agency as described in this Agreement.
- f. Immediately after execution of this Agreement by both Parties, the Agency shall, on behalf of both parties, cause to be published notice regarding this Agreement pursuant to Section 11-13-219 of the Cooperation Act.
- g. This Agreement makes no provision for the parties acquiring, holding and disposing of real and personal property used in the joint undertaking as such action is not contemplated as part of this Agreement nor part of the undertaking. Any such provision would be outside the parameters of the current undertaking. However, to the extent that this Agreement may be construed as providing for the acquisition, holding or disposing of real and/or personal property, all such property shall be owned by the Agency upon termination of this Agreement.
