Legislative Decisions

This is a legislative matter. There is wide discretion in making legislative decisions. Criteria for decisions on a legislative matter suggest compatibility with the general plan, existing ordinances, and best practices. Examples of legislative actions are general plan, zoning map, and land use code amendments.

Summary

This item is an applicant-driven request to amend the zoning map from A-1 to RE-15 on 10.00 acres. The applicant is proposing a 25 lot development with an average lot size of 15,000 square feet. If the legislative body approves the rezone as proposed, a development agreement shall be recorded. The development agreement has been prepared and is included as **Exhibit C** to this report.

On December 13, 2022, the Western Weber Planning Commission unanimously forwarded a positive recommendation to the County Commission based on the developer providing the following:

- a. Development agreement with a preliminary road design at subdivision. 80' wide three lane ROW.
- b. That the appropriate amount of right-of-way (40 feet of half-width) along 2200 South St. will be dedicated to the county, along with installation of pathway along 2200 South St., per the newly adopted Western Weber General Plan (2022).
- c. The number of lots shall not exceed the gross area divided by a 1/3 acre (minimum lot size for a 'Medium-size' lot).

- d. Prior to submittal of the first plat, the developer shall submit to the County a park plan acceptable to the park district.
- e. The concept plan be updated to show dedication of right-of-way along the northern boundary of the project area.
- f. The final layout of streets and infrastructure shall conform to the updated concept plan.
- g. The streets shall be lined with trees, spaced at a distance so that, at maturity, their canopies touch. The trees shall be of a species that are deep-rooting and have a high likelihood of survival, given the unique characteristics of the soils.
- h. The park strips shall have six-inch angular rock.

The following map show the existing zoning on the site and the proposed zoning.

Policy Analysis

A complete policy analysis is included in the attached staff report that was presented to the Western Weber Planning Commission.

Planning Commission Recommendation

The Western Weber Planning Commission recommends approval of this rezone request that includes the development agreement which includes the provisions listed below:

- i. Development agreement with a preliminary road design at subdivision. 80' wide three lane ROW.
- j. That the appropriate amount of right-of-way (40 feet of half-width) along 2200 South St. will be dedicated to the county , along with installation of pathway along 2200 South St., per the newly adopted Western Weber General Plan (2022).
- k. The number of lots shall not exceed the gross area divided by a 1/3 acre (minimum lot size for a 'Medium-size' lot).
- l. Prior to submittal of the first plat, the developer shall submit to the County a park plan acceptable to the park district.
- m. The concept plan be updated to show dedication of right-of-way along the northern boundary of the project area.
- n. The final layout of streets and infrastructure shall conform to the updated concept plan.
- o. The streets shall be lined with trees, spaced at a distance so that, at maturity, their canopies touch. The trees shall be of a species that are deep-rooting and have a high likelihood of survival, given the unique characteristics of the soils.
- p. The park strips shall have six-inch angular rock.

This recommendation comes with the following findings:

1. The proposal implements certain goals and policies of the West Central Weber General Plan.
2. The development is not detrimental to the overall health, safety, and welfare of the community.

ORDINANCE NUMBER 2023-_____

AN ORDINANCE AMENDING THE WEBER COUNTY ZONING MAP FROM A-1 TO R1-15 ON APPROXIMATELY 10.00 ACRES

WHEREAS, the Weber County Board of Commissioners have adopted a zoning map for the unincorporated areas of Weber County; and

WHEREAS, the Weber County Board of Commissioners has received an application from Singletree Acres, LLC, to amend the zoning designation on property located at approximately 4520 West 2200 South in unincorporated Weber County ; and

WHEREAS, after consideration, The Weber County Board of Commissioners desires to rezone the subject property from A-1 to R1-15; and

WHEREAS, the Weber County Board of Commissioners and Singletree Acres, LLC mutually agree to the rezone; and

WHEREAS, the Weber County Board of Commissioners and Singletree Acres, LLC mutually agree to execute a development agreement that specifies certain terms of development and establishes a concept plan of the subject property; and

WHEREAS, on December 13, 2022, the Western Weber Planning Commission held a duly noticed public hearing to consider the rezone application, and, after deliberation, forwarded a positive recommendation to the Board of County Commissioners;

NOW THEREFORE, the Weber County Board of Commissioners ordains an amendment to the Weber County Zoning Map to change the zoning designation, as more precisely described in the attached exhibits, from the A-1 zone to the R1-15 zone. The graphic representation of the rezone is included and incorporated herein as Exhibit A. A written description of the rezone is included as Exhibit B. In the event there is conflict between the two, the legal description shall prevail. In the event the legal description is found by a licensed surveyor to be invalid or incorrect, the corrected legal description shall prevail as the description herein, if recommended by the County Surveyor, provided that the corrected legal description appropriately bounds the subject property and fits within the correct legal description of surrounding properties.

This ordinance shall become effective fifteen (15) days after publication or on the day the development agreement between Singletree Acres, LLC and Weber County is recorded, whichever is later.

Passed, adopted, and ordered published this _____ day of _____, 2023, by the Weber County Board of Commissioners.

DEVELOPMENT AGREEMENT
Singletree Acres

THIS DEVELOPMENT AGREEMENT ("Agreement") is entered into by and between Weber County, Utah ("County") and Singletree Acres, LLC ("Developer"), known together herein as the "Parties."

RECITALS

WHEREAS, The Developer desires and intends to develop a residential subdivision (the "Project") in the unincorporated area of Weber County known as Ogden. Key components of the Project include twenty-five (25) detached single-family residential dwellings;

WHEREAS, The Developer's objective is to develop twenty-five (25) single family lots that complement the character of the community and is financially successful;

WHEREAS, The County's objective is to approve only development that supports and advances the health, safety, and welfare of the community, as generally described in the general plan and as otherwise determined appropriate by the Board of County Commissioners;

WHEREAS, The Project is currently zoned A-1 and Developer desires to rezone the Project to the R1-15 zone consistent with the terms and provisions contained herein; and

WHEREAS, The Project will be located on land referred to herein as the "Project Site". The Project Site is as more specifically described in **Attachment A**: Project Area Legal Description and Graphic Depiction. A preliminary plan showing the general location and layout of the Project is contained in **Attachment B** Preliminary Plan

NOW, THEREFORE, in consideration of the recitals (which are incorporated into the Agreement by this reference) and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

AGREEMENT

1. Effective Date, Expiration, Termination.

- 1.1.** Effective Date. The Effective Date of this Agreement is the latter of:
 - 1.1.1.** The last date upon which it is signed by any of the Parties hereto;
 - 1.1.2.** The recordation of this Agreement; or
 - 1.1.3.** The recordation of the rezone ordinance to which this Agreement is associated and inextricably linked.
- 1.2.** Expiration. This Agreement shall be in full force and effect until (10) years from the Effective Date of this Agreement, at which point this Agreement shall expire. After the expiration of this agreement, the use restrictions of Section 7 herein shall prevail as legislatively adopted land use restrictions. Typical legislative action shall be required to make changes thereto.
- 1.3.** Termination. This Agreement may be terminated by mutual written agreement of the Parties to this Agreement. This Agreement automatically terminates, without notice, in the following circumstances:
 - 1.3.1.** The term of this Agreement expires;

- 1.3.2. The Project is abandoned or the use is discontinued, as provided for by Weber County Code Chapter 108-12; or
- 1.3.3. The Developer defaults on any provision of this Agreement and the default is not resolved as specified in Section 13 of this Agreement.

2. Definitions and Interpretation. For purposes of this Agreement, the following terms, phrases, words, and their derivations shall have the meaning given herein where capitalized; words not defined herein shall have the same meaning as provided by the Code. When not inconsistent with the context, words used in the present tense include the future, words in the plural number include the singular number, words in the singular number include the plural number, and the use of any gender shall be applicable to all genders whenever the sense requires. The words "shall" and "will" are mandatory and the word "may" is permissive. References to governmental entities (whether persons or entities) refer to those entities or their successors in authority. If specific provisions of law referred to herein are renumbered, then the reference shall be read to refer to the renumbered provision

- 2.1. Agreement. "Agreement" means this Development Agreement between County and Developer, approved by the Board of County Commissioners, and executed by the undersigned.
- 2.2. Code. "Code" means the Weber County Code.
- 2.3. County. "County" means Weber County, Utah.
- 2.4. Developer. "Developer" means Singletree Acres, LLC, or its Assignees as provided in Section 11 of this Agreement.
- 2.5. Effective Date. "Effective Date" has the meaning set forth in Section 1 of this Agreement.
- 2.6. Force Majeure Event. "Force Majeure Event" means any event beyond the reasonable control of the affected Party that directly prevents or delays the performance by such Party of any obligation arising under this Agreement, including an event that is within one or more of the following categories: condemnation; expropriation; invasion; plague; drought; landslide; tornado; hurricane; tsunami; flood; lightning; earthquake; fire; explosion; epidemic; pandemic; quarantine; war (declared or undeclared), terrorism or other armed conflict; material physical damage to the Project caused by third Parties; riot or similar civil disturbance or commotion; material or supply delay; other acts of God; acts of the public enemy; blockade; insurrection, riot or revolution; sabotage or vandalism; embargoes; and, actions of a governmental or judicial authority.
- 2.7. Parties. "Parties" means the Developer and the County.
- 2.8. Project. "Project" means a development on the Project Site.
- 2.9. Project Site. "Project Site" means the land area on which the Project will actually be sited, as more specifically described in Attachment A: Project Area Legal Description and Graphic Depiction.
- 2.10. Routine and Uncontested. "Routine and Uncontested" means simple and germane to the Project or Project Site, having very little chance of effect on the character of the area, and not anticipated to generate concern from the public.
- 2.11. Substantial Completion. "Substantial Completion" means the Project is constructed, installed, and a valid business license has been obtained from the county.
- 2.12. Transferee. A party to which the Project is transferred or assigned in part or in whole. "Assignee" shall also mean the same.

3. Omitted

4. Project Description.

5. Project Location and Illustration.

The Project is as described herein, and illustrated in Attachment B.

6. Vesting.

- 6.1.** To the maximum extent permitted under the laws of the County, the State of Utah, and the United States, the Parties hereto intend that this Agreement grants to Developer the right to develop and use the Project, as outlined in and subject to the requirements set forth in this Agreement, without modification or interference by the County (collectively, the “Vested Rights”). The Parties intend that the rights granted to Developer under this Agreement are contractual and also those rights that exist under statute, common law, and at equity. The Parties specifically intend that this Agreement grants to Developer “vested rights” as that term is construed in Utah’s common law and pursuant to Utah Code Ann.
- 6.2.** Neither the County nor any department or agency of the County shall impose upon the Project (whether by initiative, or other means) any ordinance, resolution, rule, regulation, standard, directive, condition or other measure (each a “New Law”) that reduces or impacts the development rights provided by this Agreement or the Vested Rights. Without limiting the generality of the foregoing, any New Law shall be deemed to conflict with this Agreement and / or the Vested Rights if it would accomplish any of the following results in a manner inconsistent with or more restrictive than applicable law, either by specific reference to the Project or as part of a general enactment that applies to or affects the Project: (i) change any land uses or permitted uses of the Project; (ii) limit or control the rate, timing, phasing or sequencing of the approval, development or construction of all or any part of the Project in any manner so long as all applicable requirements of this Agreement, and the applicable zoning ordinance are satisfied; or (iii) apply to the Project any New Law otherwise allowed by this Agreement that is not uniformly applied on a County-wide basis to all substantially similar types of development projects and project sites with similar zoning designations. Notwithstanding the foregoing, if Developer considers any New Law to be beneficial to the Project, this section does not require Developer to comply with the superseded ordinance, but rather in such cases, Developer may with County approval, which approval may not be unreasonably withheld, conditioned, or delayed, elect to request that the New Law apply to the Project.
- 6.3.** The Developer acknowledges that the County is restricted in its authority to limit its police power by contract and that the limitations, reservations, and exceptions set forth herein are intended to reserve to the County all of its police power that cannot be so limited. Notwithstanding the retained power of the County to enact such legislation of the police powers, such legislation shall not modify the Developer’s vested right as set forth herein unless facts and circumstances are present which meet the exceptions to the vested rights doctrine as set forth in Section 17-27a-509.5 of the County Land Use, Development, and Management Act, as adopted on the Effective Date, *Western Land Equities, Inc. v. County of Logan*, 617 P.2d 388 (Utah 1980), its progeny, or any other exception to the doctrine of vested rights recognized under State or Federal laws.
- 6.4.** The parties mutually acknowledge that any use lawfully established under vested laws and this Agreement replaces and supersedes any previously approved development agreements pertaining to or recorded against the Property and Project including.

7. Development Standards and Use Restrictions.

7.1. Lot Development Standards. The use of the Project shall be limited to twenty-five (25) detached single-family residential lots. The proposed lots range in size from 10,662.21 square feet to 34,648.33 square feet. The setbacks in this development are as follows: front/rear – 30 feet, side – 12 feet, side-facing street – 30 feet. A table of lot widths, area, and setback standards are shown in Attachment C.

7.2. Public Improvements Required

7.2.1. Street Right-of-way dedication

7.2.1.1. The 4520 West Street shall make a connection to 2200 South Street at the southeastern corner of the Project Site as depicted in the concept plan (Attachment B). Best efforts shall be made to ensure 4520 West Street can be extended south of 2200 South Street in the future, with minimal impact to the existing buildings south of 2200 South Street. 4520 West Street shall be dedicated from 2200 South Street to the northern most extent of the project.

7.2.1.2. 1950 South Street or similar shall be dedicated as depicted on the concept plan (Attachment B). Dedication shall be to the western property line of the Project Site.

7.2.1.3. A half-width street right-of-way shall be dedicated along the northern boundary of what is depicted as lot 12 on the concept plan (Attachment B). Dedication shall be to the western property line of the Project Site.

7.2.2. Street Improvements. Streets in the Project shall be designed and installed by the Developer in accordance with the street cross sections depicted in Attachment C.

7.2.2.1. 4520 West Street shall follow the 66-foot standard except the gutter shall be a Type G gutter, unless otherwise required by the County Engineer.

7.2.2.2. 1950 South Street and the northern half-width right-of-way, as specified in Section 7.2.1.3 shall follow the 60-foot except the gutter shall be a Type G gutter, unless otherwise required by the County Engineer.

7.2.2.3. .

7.2.2.4. The north half-width of 2200 South Street shall be improved to the specifications of the County Engineer. At a minimum, this shall include a 10-foot wide paved pathway, and sufficient asphalt width to allow for 6-foot wide bike lane along the shoulder of 2200 South Street. 8-foot wide park strips are required with a minimum 6-inch angular rock mulch.

8. A 30-foot wide pathway is proposed to continue the pathway from the new high school, thus providing a connection for the public to the east, from the proposed 1950 South Street. The pathway shall include 10 feet of pavement, with a ten-foot shoulder on either side that will include drought-tolerant landscaping, as well as trees at regular intervals.

8.1.1. Pathway right-of-way dedication (pathway to the east, from the north-south road), and along 2200 South Street as stated in 7.2.2.

8.1.2. Pathway Improvements shall include a 10-foot wide asphalt pathway, xeriscaping and drought-tolerant plant life, as well as appropriate trees at regular intervals. (the pathway

needs to be inside the pathway dedication, include street trees) (See Exhibit C)

8.1.3. Central Weber Sewer infrastructure shall be extended from 4700 West Street to service Singletree Acres.

8.1.4. Taylor West Weber Water and Hooper Irrigation shall service this development.

8.1.5. Drainage shall be retained

8.2. Use Restrictions.

8.2.1.

8. Amendments and Revisions.

This Agreement may be amended by mutual agreement of the Parties only if the amendment is in writing and approved and signed by Developer and County (an "Amendment"). The following sections specify what Project changes can be undertaken without the need for amendment of the Development Agreement, and what changes require Amendment to this Agreement.

9.1. Project Facility Repair, Maintenance and Replacement. Developer shall be permitted to repair, maintain and replace the Project and its components consistent with the terms of this Agreement without amending the Agreement.

9.2. Authorized Changes, Enlargements, or Alterations. As set forth below, County staff may review and approve certain minor changes, enlargements or adjustments ("Changes") to the Project in their respective administrative capacities. The following types of Changes are considered minor, provided that no such Changes shall directly or indirectly result in significantly greater impacts than those contemplated in the approval of this Agreement.

9.2.1. Changes Necessary to Comply with Other Laws. Any resulting changes as a consequence of obtaining or complying with a federal, state, or local permit or approval; provided that the changes are routine and uncontested and the application thereof does not materially affect the County's original intent, findings, or conditions on the Project in a manner that would have likely resulted in a different decision on this Agreement, as determined by the Planning Director.

9.2.2. De Minimis Changes. Other de Minimis changes requested by the Developer, which are reasonably consistent with the intent of this agreement and the FR-3 rezone, and are routine and uncontested.

9. OMITTED

10. OMITTED

11. General Provisions.

11.1. Assignability. The rights and responsibilities of Developer under this Agreement may be assigned as provided herein.

11.1.1. Total Assignment of Project and Project Site. The Developer, as the landowner of the Project Site at the time of the execution of this Agreement, may sell, convey, reassign, or transfer the Project Site or Project to another entity at any time, provided any division of land, if applicable, and complies with County Laws.

- 11.2. Binding Effect. This Agreement shall be binding upon the Parties and their respective heirs, successors (by merger, consolidation or otherwise) and assigns, devisees, administrators, representatives, lessees and all other persons or entities acquiring all or any portion of the Project, any lot, parcel or any portion thereof within the Project Site, or any interest therein, whether by sale, operation of law, devise, or in any manner whatsoever.
- 11.3. Utah Law. This Agreement is entered into under the laws of the State of Utah, and the Parties hereto intend that Utah law shall apply to the interpretation hereof.
- 11.4. Authority. Each Party represents and warrants that it has the respective power and authority, and is duly authorized, to enter into this Agreement on the terms and conditions herein stated, and to execute, deliver and perform its obligations under this Agreement.
- 11.5. Duty to Act Reasonably and in Good Faith. Unless otherwise expressly provided, each Party shall act reasonably in giving consent, approval, or taking any other action under this Agreement. The Parties agree that each of them shall at all times act in good faith in order to carry out the terms of this Agreement and each of them covenants that it will not at any time voluntarily engage in any actions which frustrate the purpose and intent of the Parties to develop the Project in conformity with the terms and conditions specified in this Agreement.
- 11.6. Communication and Coordination. The Parties understand and agree that the process described in this Agreement depends upon timely and open communication and cooperation between the Parties. The Parties agree to use best efforts to communicate regarding issues, changes, or problems that arise in the performance of the rights, duties and obligations hereunder as early as possible in the process, and not wait for explicit due dates or deadlines. Each Party agrees to work cooperatively and in good faith toward resolution of any such issues.
- 11.7. Force Majeure Event. A Force Majeure Event shall be promptly addressed by Developer. County agrees to offer a reasonable period for Developer to cure the effect of the event given the extent of the effect on the Project and the Developer's ability to redress the effect.

12. Notices.

- 12.1. Written Notice. Any notice, demand, or other communication ("Notice") given under this Agreement shall be in writing and given personally or by registered or certified mail (return receipt requested). A courtesy copy of the Notice may be sent by facsimile transmission or email.
- 12.2. **Addresses.** Notices shall be given to the Parties at their addresses set forth as follows:

If to the County:

Weber County Commission
2380 Washington Blvd, Ste #360
Ogden, UT 84401

With copies to:

Weber County Attorney
2380 Washington BLVD, Ste. #230
Ogden, UT 84401

Weber County Planning Director
2380 Washington BLVD, Ste. #240
Ogden, UT 84401

If to Developer:

Singletree Acres, LLC
4520 W 2200 S, Ogden, UT 84401

- 12.3.** Notice Effect. Notice by hand delivery shall be effective upon receipt. If deposited in the mail, notice shall be deemed delivered forty-eight (48) hours after deposited. Any Party at any time by Notice to the other Party may designate a different address or person to which such notice or communication shall be given.

13. Default and Remedies.

- 13.1.** Failure to Perform Period. No Party shall be in default under this Agreement unless it has failed to perform as required under this Agreement for a period of thirty (30) days after written notice of default from the other Party. Each notice of default shall specify the nature of the alleged default and the manner in which the default may be cured satisfactorily. If the nature of the alleged default is such that it cannot be reasonably cured within the thirty (30) day period, then commencement of the cure within such time period and the diligent prosecution to completion of the cure shall be deemed a cure of the alleged default.
- 13.2.** Remedies. The Developer's failure to comply with this agreement constitutes a violation of the Land Use Code of Weber County, and is subject to the enforcement provisions and remedies thereof. In addition, the County may withhold any permits from the Project.
- 13.3.** Dispute Resolution Process.
- 13.3.1.** Conference. In the event of any dispute relating to this Agreement, the Parties, upon the request of either Party, shall meet within seven (7) calendar days to confer and seek to resolve the dispute ("Conference"). The Conference shall be attended by the following parties: (a) the County shall send department director(s) and County employees and contractors with information relating to the dispute, and (b) Developer shall send Developer's representative and any consultant(s) with technical information or expertise related to the dispute. The Parties shall, in good faith, endeavor to resolve their disputes through the Conference.
- 13.3.2.** Mediation. If this Conference process does not resolve the dispute within the 7-day Conference period, the Parties shall in good faith submit the matter to mediation. The Parties

shall send the same types of representatives to mediation as specified for the "Conference" process. Additionally, the Parties shall have representatives present at the mediation with full authority to make a settlement within the range of terms being discussed, should settlement be deemed prudent. The mediation shall take place within forty-five (45) days of the Parties submitting the dispute to mediation. If the dispute is not able to be resolved through the mediation process in the 45-day period, the Parties may pursue their legal remedies in accordance with Utah and local law.

14. Entire Agreement.

This Agreement, together with all Attachments hereto, constitutes the entire Agreement between the Parties with respect to the subject matter of this Agreement. This agreement is specifically intended by the Parties to supersede all prior agreements between them or recorded to the property, whether written or oral.

15. Counterparts.

This Agreement may be executed in several counterparts and all so executed shall constitute one agreement binding on all the Parties, notwithstanding that each of the Parties are not signatory to the original or the same counterpart. Further, executed copies of this Agreement delivered by facsimile or by e-mail shall be deemed originally signed copies of this Agreement.

IN WITNESS HEREOF, the Parties hereto, having been duly authorized, have executed this Agreement.

Synopsis

APPLICATION INFORMATION

Application Request: A public hearing for consideration of a requested rezone from A-1 to RE-15 on approximately 10.00 acres.
Agenda Date: Tuesday, December 13, 2022
Applicant: Chad Buck
File Number: ZMA 2022-01

PROPERTY INFORMATION

Approximate Address: 4520 W 2200 S
Zoning: The area to be rezoned is currently A-1
Proposed Land Use: Residential, RE-15

ADJACENT LAND USE

North: Agriculture
East: New High School
South: 2200 South St.
West: Agriculture

Applicable Ordinances

§ 102-5: Rezoning Procedures

§ 104-2: Agricultural Zones (A-1), 104-3: Residential Estates Zones (RE-15)

Legislative Decisions

This is a legislative matter. When the Planning Commission is acting on a legislative matter, it is acting to make a recommendation to the Board of County Commissioners. There is wide discretion in making legislative decisions. Criteria for recommendations on a legislative matter suggest compatibility with the general plan, existing ordinances, and best practices. Examples of legislative actions are general plan, zoning map, and land use code amendments.

Summary

This item is an applicant-driven request to amend the zoning map from A-1 to RE-15 on 10.00 acres. The owner seeks this zoning to allow for "...greater housing densities near existing or planned school sites..." (see newly adopted General Plan, Land Use Goal 7.1.2, per applicant's narrative). The RE-15 zone has the following minimum site development standards:

Lot area: 15,000 square feet

Lot width: 100 feet

Setbacks:

Front – 30'

Rear – 30'

Side - 10 feet with total width of 2 side yards not less than 24 ft.

The following maps show the existing zoning and the proposed zoning for this project.

Policy Analysis

Concept Plan

The concept site plan that was provided with this application is below.

Western Weber County General Plan

The Western Weber County General Plan Future Land Use Map shows this site in a future “medium density” residential area. The general plan states the following rezone requests in areas that allow for medium-sized residential lots: “In areas planned for medium-sized lots, the County should consider rezoning property to allow 15,000 square-foot lots. Generally, this coincides with the RE-15 zone. A rezone of this nature should only be allowed if smart-growth implementation strategies are volunteered by the developer, as provided in Land Use Principle 1.2. Proposed roadway layouts should provide for good network connectivity, and limit dead-end/cul-de-sac streets (2022, pg. 86). Street and pathway networks should be proposed to connect neighborhoods and adjacent land uses (2022, pg. 100, Transportation Principle 6.2)

Zoning

The RE-15 zone would be considered a ‘medium-density’ zone, with a minimum lot area of 15,000 square feet, and a minimum lot width requirement 100 feet.

The RE-15 zone allows a maximum building height of 35 feet.

Smart-Growth Principles

The following are smart growth principles and how the developer is proposing to meet these goals as a requirement of their rezone request.

Public Roads and Trails (Street Connectivity and Pathway & Trail Connectivity)

The Western Weber General Plan shows 2200 South as a minor collector street that should be 80 feet wide. The parcel on which the rezone is proposed may need to dedicate sufficient area for a 40 foot half-width, per County Engineering. Weber County Planning also recommends dedication along the northern boundary of this proposal, to ensure continued connectivity as vacant land to the north, northwest, and northeast is developed. With this recommendation from Planning for dedication along the northern boundary, an updated concept plan shall be submitted prior to going before the County Commission. **Engineering gave a rough cost to design 200 South between 4300 W and 4700 W at around \$50k. If you are looking at a per lot cost just to design (at the subdivision level), it would come out to approximately \$2k/lot. Again, we would look more closely at this at subdivision.**

Parks and Recreation (Open Space and Recreation Facilities)

The parks district would like to see a 5-acre community park within a ½ mile of every residence, and a regional park within 2 miles of every residence. The image below shows the location of the nearest park located just outside of the ½ mile buffer, as the crow flies, not walking distance from the subject parcel.

- b. Whether the proposed amendment is compatible with the overall character of existing development in the vicinity of the subject property.*
- c. The extent to which the proposed amendment may adversely affect adjacent property.*
- d. The adequacy of facilities and services intended to serve the subject property, including, but not limited to, roadways, parks and recreation facilities, police and fire protection, schools, storm water drainage systems, water supplies, wastewater, and refuse collection.*
- e. Whether the proposed rezone can be developed in a manner that will not substantially degrade natural/ecological resources or sensitive lands.*
- f. Whether proposed traffic mitigation plans will prevent transportation corridors from diminishing below an acceptable level of service.*

Staff Recommendation

Staff recommends one of the following options to the Planning Commission:

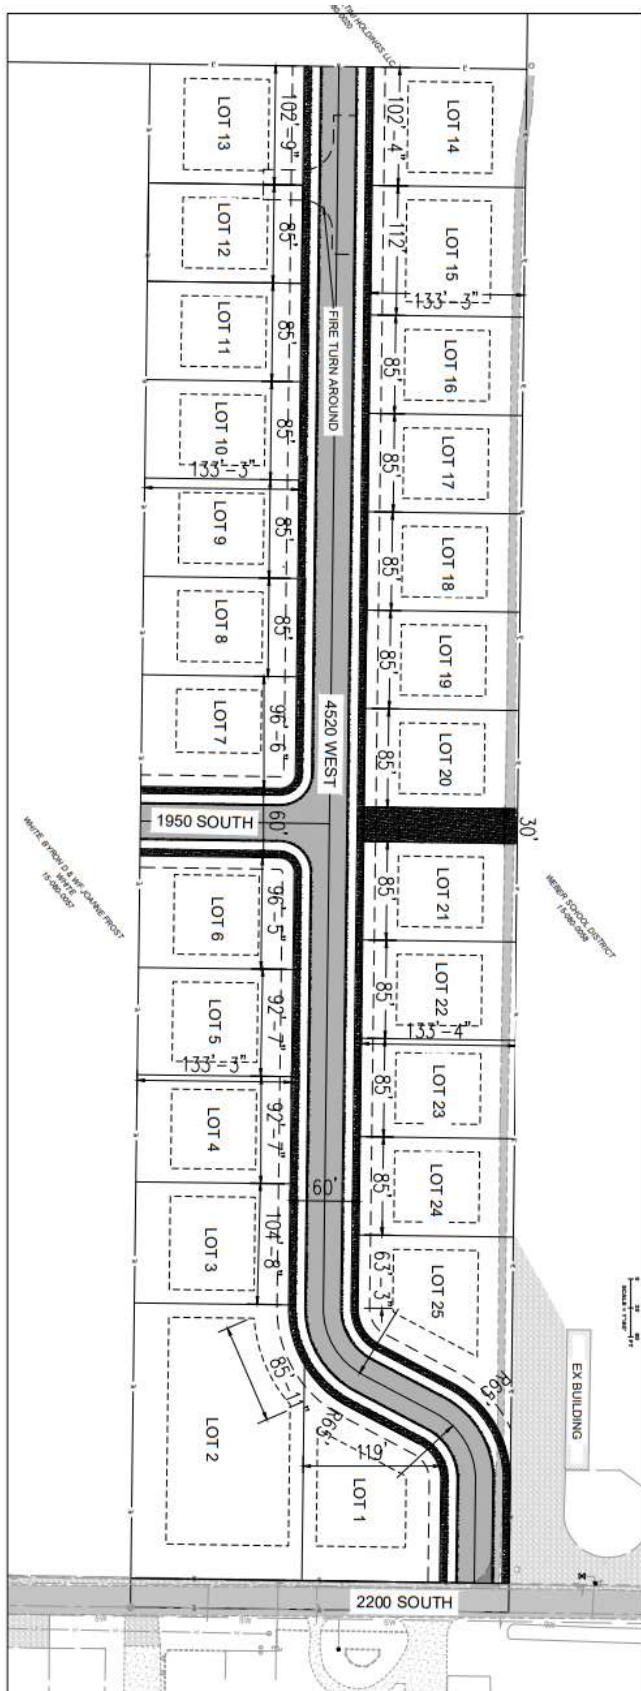

1. Table this item until the open space requirement has been addressed by the developer. This is a smart-growth principle that Planning feels would be a great public benefit to the residents of Western Weber County. Planning would recommend this option.
2. Forward a positive recommendation to the County Commission. Prior to consideration by the County Commission, the owner will voluntarily enter into a development agreement with the County; that development agreement will include provisions listed below:
 - 1) Development agreement with a preliminary road design at subdivision.
 - 2) That the appropriate amount of right-of-way (40 feet of half-width) along 2200 South St. will be dedicated to the county , along with installation of pathway along 2200 South St., per the newly adopted Western Weber General Plan (2022).
 - 3) The number of lots shall not exceed the gross area divided by a 1/3 acre (minimum lot size for a 'Medium-size' lot).
 - 4) Prior to submittal of the first plat, the developer shall submit to the County a park plan acceptable to the park district.
 - 5) The concept plan be updated to show dedication of right-of-way along the northern boundary of the project area.
 - 6) The final layout of streets and infrastructure shall conform to the updated concept plan.
 - 7) The streets shall be lined with trees, spaced at a distance so that, at maturity, their canopies touch. The trees shall be of a species that are deep-rooting and have a high likelihood of survival, given the unique characteristics of the soils.
 - 8) The park strips shall have six-inch angular rock.

This recommendation comes with the following findings:

1. The proposal implements certain goals and policies of the West Central Weber General Plan.
2. The development is not detrimental to the overall health, safety, and welfare of the community.

This is a request to rezone 10 acres from A1 zone to medium density residential per the newly approved Western Weber County General Plan. This subdivision will be a lot averaged subdivision, with the street connectivity incentive, which means it's eligible for 25 lots. (Land Use Action Item 1.2.2) This also fits in well with the utilities section of the new General Plan which states in Goal 7.1.2, "Consider supporting slightly greater housing densities near existing or planned school sites." This project will be next to the new high school being built in Taylor. This subdivision will also have various lot sizes (Land Use Action 1.4.6 bullets 1&2) which could give variety to the home sizes, price points, and demographics of the neighborhood.

This subdivision is approximately a quarter of a mile from existing sewer. We are willing to pay a substantial cost to bring the sewer to this subdivision, benefiting 11 current residents and potentially hundreds more. All other utilities are in 2200 South and accessible to the subdivision.

I understand that the county wishes for Smart Growth principles to be included as much as possible. I will address how we have tried to implement those principles into this project.

1 – Street Connectivity. The main subdivision road connects to 2200 South at the east end of the project, allowing the county proposed north-south road at 4500 west to continue.

In addition, the east-west road of the subdivision is located on the property line of land to the west, allowing a future connection to 4700 West without disturbing existing homes. This road is also in the middle of the subdivision, keeping block lengths within county parameters.

2 – Pathway Connectivity. This subdivision will not be near any of the county trails, but we will provide sidewalks throughout the subdivision, as well as a 30-foot-wide dedicated walkway to the new high school. These will allow safe access to the school and the church.

3 – Open Space / Recreation facilities. This community will be next to the soccer fields and tennis courts of the new school. Sidewalks and the walkway should make these easily accessible.

4 – Dark Sky. Any street lights required will have fixtures that point down to the ground. Homebuilding requirement could allow only can lights on the exterior of the home. (Community Character 3.1 & 3.2.2)

5 – Water Conservation. Park strips will be an 8 foot wide xeriscape (gravel/rocks) area with a slight dip to carry storm water to the retention basin.

I believe this subdivision would be a great benefit to Taylor and fits well with the stated goals of the new Western Weber General Plan.

Exhibit B: Western Weber Planning Commission Recommendation

Western Weber Planning Commission forwarded the following recommendation:

Prior to consideration by the County Commission, the owner will voluntarily enter into a development agreement with the County; that development agreement will include provisions listed below:

1. Development agreement with a preliminary road design at subdivision.
2. That the appropriate amount of right-of-way (40 feet of half-width) along 2200 South St. will be dedicated to the county , along with installation of pathway along 2200 South St., per the newly adopted Western Weber General Plan (2022).
3. The number of lots shall not exceed the gross area divided by a 1/3 acre (minimum lot size for a 'Medium-size' lot).
4. Prior to submittal of the first plat, the developer shall submit to the County a park plan acceptable to the park district.
5. The final layout of streets and infrastructure shall conform to the updated concept plan.
6. The streets shall be lined with trees, spaced at a distance so that, at maturity, their canopies touch. The trees shall be of a species that are deep-rooting and have a high likelihood of survival, given the unique characteristics of the soils.
7. The park strips shall have six-inch angular rock.
8. **Occupancy shall not occur until all improvements, including landscaping, have either been installed or guaranteed.**

This recommendation comes with the following findings:

3. The proposal implements certain goals and policies of the West Central Weber General Plan.
4. The development is not detrimental to the overall health, safety, and welfare of the community.
