Mr. Tucker Weight
Weber County Engineering
2380 Washington Blvd., #240
Ogden, UT 84401

Dear Tucker,

We discussed formally extending the contract we have as the Executive Director for the Golden Spike Storm Water Coalition. We are pleased with the way things have gone and are interested in extending the contract. The purpose of this letter is to make a formal request to extend that contract.

The terms of the agreement allow for extensions up to five years. Our preference is to do an annual review and extension because J-U-B wants the ability to revisit the compensation each year. We are willing to extend with the compensation amount we had last year.

This was put up to a vote of coalition members in June's coalition meeting and was passed.

Sincerely,

A handwritten signature in blue ink that reads "Gregory L. Seegmiller".
