TRANSPORTATION AND LAND USE CONNECTION RESOURCES

Financial Contributions: \$186,460.00

Consultant Budget Total: \$200,000.00

GENERAL TIMELINE

Start Date: July 2024

End Date: _____

DELIVERABLES

The deliverables include an economic impact study, a fiscal impact analysis, and demographic and physical feasibility assessment that will assist in the revitalization of and transformation of a discontinued Union Pacific railroad line into a 6.2 mile active transportation trail. This trail will serve as a crucial link connecting the three western gates of Hill Air Force Base to local and regional trail systems. Spanning across Ogden, Roy, Riverdale, Hill Air Force Base, Sunset, and Clearfield, the corridor serves as a pivotal artery for alternative transportation solutions, linking to various bike lanes and trail networks.

As part of this agreement, it is understood that the governing body of Weber County will in earnest consider the final work products for adoption. Weber County will work with the Wasatch Front Regional Council on all matters of procurement; any consultant services procured independently by Weber County will not be eligible for reimbursement of project funding.
