

NOTICE OF **RESCHEDULED** PUBLIC HEARING

Notice is hereby given that the Western Weber Planning Commission has **canceled** the public hearing scheduled for May 13, 2025 regarding the below project. The public hearing has been **rescheduled to June 10, 2025**. The rescheduled meeting will begin at 5:00 PM and will be held in the County Commission Chambers, 1st Floor of the Weber Center, 2380 Washington Blvd., Ogden, Utah.

The hearing is intended to receive public comment regarding an application to create a new zone district called the traditional neighborhood zone, and to rezone property to it, with an associated development agreement, for the Bennet Farm development (formerly Gibson Farms), a master planned development comprising approximately 550 acres of property located within the area bounded by 12th Street, 4700 West, and the Weber River (depicted below). The new zone will allow variety of uses within a master planned development, guided by a concept plan, including single-family residential, mixed residential, and mixed neighborhood commercial. The proposal may also include a dual zone, coupling the TN zone with the county's existing Form-Base Zone (FB), or be immediately preceded by a rezone to the form-based zone. Applicant: Black Pine Group.

Copies of the proposal may be reviewed online at <https://frontier.co.weber.ut.us/p/Project/Index/21974> or in the Weber County Planning Division Office, located in Suite #240 of the Weber Center.
