General Plan Update

## Meeting Participation Details

This will be a town-hall meeting format, with a presentation in the beginning and a time for questions and comments at the end. Please try to be on time, as critical information regarding meeting participation will be explained shortly after the meeting starts.

**In-Person:** If you are free of COVID symptoms, feel free to join us live and in-person at West Weber Elementary School. We prefer you wear a mask regardless of vaccination status, but no one will be turned away.

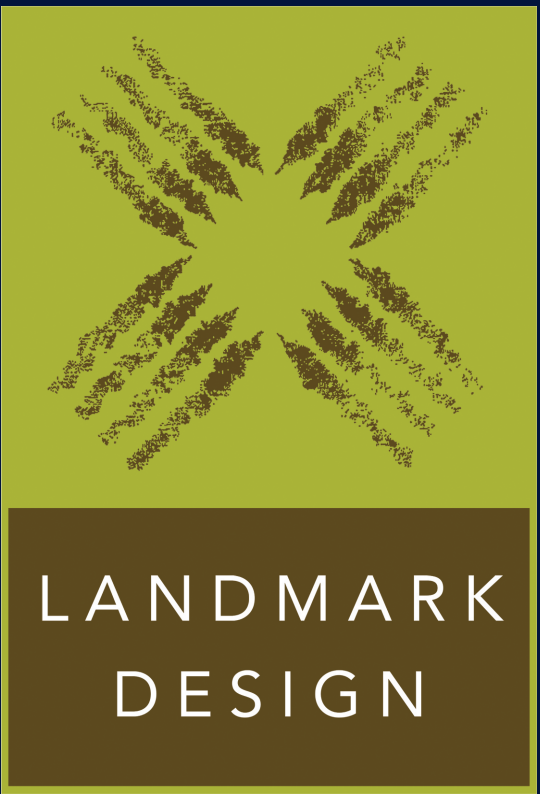

**Online:** The meeting will be live-streamed on Zoom virtual meeting platform. Managing a meeting of this size online can be difficult. We will do our best to allow questions and comments from online participants, but we cannot guarantee it.

We will be conducting live polling of audience members using an online application. Please bring a smart device if you would like to participate. Instructions will be given in the meeting. In-person participants will have the option for paper-polling.
