Regular Items:

1. Election of Vice Chair for the Ogden Valley Planning Commission.

Commissioner Howell made a motion to Elect Commissioner Francis as Vice Chair. Commissioner Hogge seconded the motion. Chair Lewis, Commissioners Burton, Hogge, Howell, Waldrip and Lackey voted aye. (Motion carried)

Legislative Items:

1. **ZMA 2020-01: Consideration and action on a proposal to rezone approximately 15 acres of land located at 4706 E. 2650 N. from AV-3 to MV-1. Presenter: Charlie Ewert**

Director Grover would like to open this item to public comment.

Mr. Ewert presented the proposed rezone to the Planning Commission. The details for this rezone is in the Staff Report.

Director Grover discussed that they set down with the developer and they submitted the petition. If the applicant does not rezone this property, it will go back to the current zoning. There was a discussion on being too close to the river and Eden Water Works plant. They also discussed what if the boats do not drain before they store them, also how are they going to prevent quagga mussel concerns.

Commissioner Lackey asked if there would be a dump station on site. The applicant said that was not proposed in this rezone.

Closed public comment.

Commissioner Burton went through the conditions in the staff report. He does not think that the applicant should be putting all his money into some of these conditions in the staff report. He thinks this is a good thing for the Ogden Valley.

Chair Lewis commented that overall that over 120 units for storage units. He thinks that this would keep boats out of driveways. He also would like to change the two homes in that CV-2 zone to be the same. Asphalt work better than pavers. The asphalt will be easier not to drain into the ground.

Commissioner Waldrip made a motion to deny ZMA 2020-01. There was a discussion on why Commissioner Waldrip moved to deny this rezone. He said part of the issue is that we are approaching this at the wrong standpoint. He does not like where this site is. This is not the long term best use for this property. This does not feel like this goes with the General Plan. He feels like

this has been presented like, if we have to do something, then it has to be this. That is not the case. Not allowing storage units here has no effect on whether or not storage units are located somewhere else. So he thinks they should deny the rezone and encourage the applicants to find a more suitable property.

Commissioner Francis doesn't think this would be a good fit being next to the river and sensitive land areas.

Commissioner Francis seconded the motion. Commissioner Hogge, Waldrip, Francis and Lackey voted aye. (Motion carried) Commissioners' Burton, Howell and Chair Lewis opposed the motion.

2. ZTA 2018-05: Public hearing to discuss and take comment on a proposal to amend the following sections of Weber County Code: §102-1-5 and §102-5, regarding rezoning procedures and legislative amendments. Presenter: Steve Burton

Mr. Burton presented to the Planning Commission the changes to amend the Weber County Code. The Planning Commission had some changes and requested to see those changes at the next meeting.

Commissioner Burton made a motion to table ZTA 2018-05: Public hearing to discuss and take comment on a proposal to amend the following sections of Weber County Code: §102-1-5 and §102-5, regarding rezoning procedures and legislative amendments. Commissioner Waldrip seconded the motion. Commissioner Howell, Francis, Hogge, Chair Lewis, and Lackey voted aye. (Motion carried)

Adjourn to Work Session

**WS1: Discussion about short-term rentals in Weber County and regulatory options.
Presenter: Scott Perkes**

Mr. Perkes provided a presentation and lead a discussion regarding short-term rentals and how they are currently impacting the Ogden Valley and how potential regulation may be needed in the near future. Commissioners provided comments on the topic based on their collective experience with short-term rentals they know are currently in operation and their impacts. Mr. Perkes indicated that a draft short-term rental ordinance has been drafted by staff and will be presented to the commission for their review in the next couple of weeks.

Commissioner Hogge made a motion to adjourn the meeting. Commissioner Francis seconded the motion. Chair Lewis, Commissioners Burton, Hogge, Howell, Francis, and Waldrip all in favor voted aye. (Motion carried)

The meeting adjourned at 8:30 pm

**Respectfully Submitted,
Angela Martin, Lead Office Specialist
