

## Identity Theft

Would you know if someone was using your personal information to open accounts, file taxes, or make purchases? Only you can help prevent this from happening and here's how! By remembering the "Three D's"

1. **Deter** identity thieves by safeguarding your information.
2. **Detect** suspicious activity by routinely monitoring your financial account and billing statements.
3. **Defend** against identity theft as soon as you suspect it may be happening.
